INVENTRY
SIGN IN SOLUTIONS

WELCOME to InVentry

Manage your visitors, staff and student sign In & registration with InVentry; the site access and safeguarding management solution.

System Features

20" Touch Screen Monitor.
Integrated webcam, customisable front screen and widgets.

Visitor Pass System
Multiple badge options for visitors including thermal and colour passes.

Full Installation Service
InVentry certified technicians will install the system, and configure the InVentry software to suit your requirements. Staff members will also be provided with a complete training session.

DBS & Safeguarding Module
Serves as your single central record of DBS checks for staff and visitors.

Multi Academy Trust Functionality
Allows 'Trust' employees to travel across multiple sites using the same ID. Trust wide reporting allows thegeneration of personnel reports across multiple trusted sites.

Multiple Entry Points - Quickscan
For sites with more than one staff entrance point. These systems will synchronise with your central database.

Swipe Options
Fully customisable ID badges for staff. Swipe technology available includes Paxton, MiFare, HID, UPC barcode and QR code.

Events Management
Ability to pre-book visitors into school events, such as parents' evening or meetings. Customisable email invitations can be created in the invitation builder.

Email Staff Notification
Notifies staff that their visitor has arrived by e-mail and/or SMS text message.

Languages
Automated translation to any world language and custom questions are automatically translated without user interaction.

Facial Recognition
The facial recognition feature recognises visitors that have previously been on site to speed up the sign in process.

> **Very efficient and professional service. We're thrilled.**
>
> St Andrew's C of E Primary School, Warrington

> **InVentry has revolutionized safeguarding in our school.**
>
> St Monica Infant School, Southampton
