New Data Items

**Early Years**

Due to change in DfE guidance and the Early Years Provision the terminology and recording has now been changed. All eligible pupils will now use an Eligibility Code not 30hour code to access the provision which consists of 11 digits.

2 Columns have been added to account for these changes in the census: Extended Hours and Expanded Hours.

Expanded hours are collected for pupils aged 2 at 31/3/2024 if they have an Eligibility Code.

Data Items Included in this Return

Full details of what is included in each return can be found via [DfE spreadsheet](#).
